

HJR 22 -- DRIVER'S LICENSE EDUCATION FUND

SPONSOR: Higdon

Upon voter approval, this proposed Constitutional amendment allows the Department of Revenue to impose a \$1 licensing and registration fee for motor vehicles and trailers, a \$1 licensing fee for the issuance and renewal of drivers' licenses, and a \$1 registration fee for all watercraft and outboard motors for the "Driver's Education Training Fund."

If the balance in the driver's education training fund at the close of any fiscal year exceeds \$15 million, the commissioner of administration shall transfer that excess amount to the state road fund unless such excess balance is as a result of direct appropriations made by the General Assembly for the purpose of increasing the balance of the fund.
